Revived and Reinvented

Don't throw it away, it can be used in some other way. Upcycling, or creative reuse, is the process of transforming unwanted materials into new products. Give your home a creative flair with these projects.

Turn old CD cases into picture frames.

Replace the inserts with a picture and [mount them on your wall](#), [stand it up like an A frame](#), or [glue cases together at the spines to create a photo box](#).

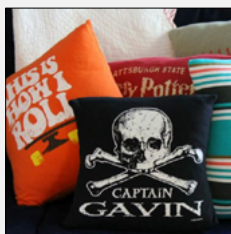

Re-purpose old books into a wall shelf.

Screw wooden or metal shelving brackets into the wall and place a book on top, using it to hold your knick knacks.

Old t-shirts can become pillows.

That old concert t-shirt that doesn't fit but you don't want to throw it out? Turn it into a throw pillow! [Click this link for instructions](#). If you have a lot of t-shirts, [turn them into a quilt](#).

Cowboy Pledge Update

Thank you to everyone who participated in our school supply drive! We were able to put together 80 backpacks for Utah Refugee Connection. We appreciate your generosity!

Join us on Thursday, August 17 as we clean up along the Ogden River Parkway. Meet at 6 PM at the Ogden Botanical Gardens (1750 Monroe Blvd., Ogden) at the trail entrance at the north side of the parking lot. Please dress appropriately for the weather and we encourage you to bring work gloves, although we will have some as well. To volunteer, please call 801.424.4400 or email us at cowboypledge@cowboyproperties.com.

Use old spoons or forks to create hooks.

Bend the silverware into a U shape to hang things like keys or towels from. [Check out this tutorial](#).

Organize your drawers with an old muffin tin.

The compartments in a muffin tin are great for keeping small items from scattering at the bottom of a drawer.
