Pack Like A Pro

Whether you're planning for a long trip or three-day weekend, check out these packing tips to help make the most of the space in your suitcase.

Roll Your Clothes: Roll 'em like a burrito! You want that suitcase packed tighter than a clown car.

Use Packing Cubes: Think of them as tiny hotels for your clothes. Everyone needs their own room.

Pack Multi-Purpose Items: Pants that turn into shorts! Shirts that turn into capes! Just kidding, but multifunctional is the way to go.

Limit Shoes: Your shoes are not the star of this trip. Two pairs, maybe three. This isn't a centipede convention.

Use a Laundry Bag: Dirty socks don't play well with clean shirts. Keep the stink in its own little dungeon.

Utilize Empty Spaces: Fill those shoes with socks and undies! It's like a suitcase scavenger hunt.

Keep Important Documents Handy: Passports and tickets go where you can see them. They're not playing hide and seek.

Bring a Reusable Water Bottle: Stay hydrated, my friend. Your future self, stranded in hot city will thank you.
