Life's a Breeze, Clean with Ease

Spring cleaning is a great way to refresh your home in this season of renewal. Check out these tips to help you get the most out of your spring cleaning:

Start with a Plan: Create or [download](#) a checklist that outlines all the areas you want to tackle. Break it down by room and specific tasks (e.g., dusting, vacuuming, decluttering).

Declutter: Before you start cleaning, take time to declutter each room. Donate, recycle, or throw away what you don't want.

Use Multi-Purpose Cleaners: Look for an all-purpose cleaner that works on countertops, floors, and other common areas.

Deep Clean Carpets and Rugs: Vacuum thoroughly, and rent or invest in a carpet cleaner to give them a deep clean.

Clean Your Windows: Use a streak-free glass cleaner or a homemade solution of vinegar and water. Don't forget to wipe down the window sills and frames, which can collect dust and grime.

Don't Forget Hidden Spaces: Dust and dirt often hide in places like under furniture and behind appliances.

Refresh Bedding and Fabrics: Wash all bedding, including pillows, mattress pads, and comforters. Vacuum mattresses and flip them if needed. This is also a good time to clean curtains and upholstered furniture.

Schannelle at Bridgeside Landing says "since moving to Utah from Southern California 20 years ago, I have been looking for a Mexican eatery that compared to the ones I grew up with. Emiliano's is just that! They have the best lengua burrito, and my son loves the carne asada chimichanga. The green sauce is a-mazing! I can't say enough good things about them. We order from them as often as we can." Don't forget the churros for dessert with options of plain, Oreo flavored or with a strawberry, caramel or cream filling.
