Meaningful Spending

Skip the big-box rush this weekend and choose to shop small. Every dollar spent at a local boutique, neighborhood market, or family-run shop goes right back into your community, helping real people thrive. Swap the major-chain latte for a cup from your local coffee shop where your purchase truly matters. Supporting small businesses, especially those owned by minorities, strengthens diversity, fosters opportunity, and builds a more vibrant, connected community. This season, let your spending reflect your values. Shop small, uplift your neighbors, and make a meaningful impact with every purchase. Noises Off (December 5-20): A classic, laugh-out-loud comedy that pulls back the curtain on a play where absolutely everything goes wrong. We're talking missed cues, flying props, falling pants... pure theatrical chaos, and all of it intentional!

Ten Brave Seconds (January 30-February 14, 2026): World premiere! Set on the day same-sex marriage became legal in the U.S., this brand-new musical tells interwoven stories about identity, bravery, and love.

King James (March 20-April 4, 2026): A smart and funny play about two men who bond over their love of LeBron James. It's a great story about fandom, connection, and what holds people together.

Come From Away (April 24-May 9, 2026): This Tony Award-winning musical is based on the true story of a small town in Newfoundland that opened its doors to thousands of stranded travelers after 9/11. It's an incredibly uplifting show about human kindness, generosity, and finding hope in the hardest of times.
